# IEEE VTS WORKSHOP ON DIVERSITY AND INCLUSION

**VTS** — Connecting the Mobile World

**Date:** April 1st, 2024 – Afternoon
**Venue:** Atkinson Hall, UCSD Campus

## Unlocking Perspectives: Connecting Through Diversity

Join us for an inspiring afternoon at the IEEE VTS Workshop on Diversity and Inclusion, fostering an inclusive environment for all voices in the engineering community.

## Agenda Highlights

» **Keynote Speakers include Prof. Pamela Cosman, UCSD and Prof. Tara Javidi, UCSD**

» **Panel Discussion**

» **Networking Session**

- Calling all Students! Present your work to a broad engineering audience. *Submit your title and abstract today!*

## Call for Presentations - Students, Share Your Insights!

Bring your laptop and 5 slides. Discuss your current work (high level) or present your thoughts on diversity in engineering. Best presentations will be voted by the audience.

### Submission Guidelines

- Title and abstract submissions
- Aim for a broad engineering audience

**Calling all Students! Submit your title and abstract today!**

## Travel Grants Available!

We believe in supporting your journey to diversity. Take advantage and apply for NSF grants for travel of up to $500 per student.

### Application Requirements

- Recommendation from your advisor
- A brief statement on why you want to attend
- Description of your studies/research
- Register Now!

Secure your spot at the workshop by registering through our Google Form. Don't miss this opportunity to connect, learn, and contribute to a more inclusive engineering community.

**ORGANIZERS:**

Dr. Carmela Cozzo, Samsung; Prof. Sarah Katie Wilson, Santa Clara University; Ms. Lei Sun, IEEE San Diego section

**NSF**   **IEEE** San Diego Section

**venmo**
